

April 30, 2019 EMRA meeting minutes

Attendance

Mark Armstrong. Brian Worsdall. Jeff Sanderson. Steven O'Brien. Neil Carlson. Jon Bullee. Erik Russnak. Owen El Baba. Scott Huber. Trevor Patrick. Rob Darlington. Sean Hofmeister. Justin Gehlert.

Race School prep

- Passing drill.

We need to be very clear in our instruction to new racers, to avoid riders performing unsafe passes due to not being clear on what we expect of them.

- We will meet Thursday the 16th for airfence setup, bin check, etc.
- Teardown to take place Saturday.

Track update/work to be done

- Work is progressing well. NASCC is happy with changes.
- We will meet Sunday the 5th to help with some work. 250 hay bales to be delivered, to be installed by us. We will also help with the conveyor installation, moving gravel, etc.
- Painting of curbs, apexes to be done. Jeff to obtain paint, and be reimbursed by Castrol.
- Sean to look at huts.
- We need to check fire extinguishers for expiry dates.

Turn 9 structure update

- Should be done by May 15th. When ready Jeff will arrange the set up.

Airfence order

- Ordered. Paid. Should arrive in time for First race weekend.

Dealership Sponsorships

- Round sponsorships to be a set amount. Gift card cap to be set at 500.

Tech Waiver

-Waiver to be signed at Tech inspection and riders meeting. Stickers to be purchased by Jeff. Stickers will be used daily for riders meeting attendance.

Airfence deposit refund

- For helping airfence setup or full Friday practice day only.

WMRC fire ext.

- Jon to obtain more information before a decision can be made.

Safety recording and assessments

-Justin prepared an excellent checklist for corner workers to fill out after a crash. Still working on the hazard assessment and getting ink for his printer.

Website

- Still in progress. Trevor to contact Ronell. More videos to be added.
- Members are encouraged to view the website to try and identify problems to be addressed.

Volunteer form and tracking

-Discussed using MSR to track volunteers. Decision made to stay with current system to keep it simple for everyone.

Legacy ride

- A free ride in honor of our friend Sean. Open to everyone. Ideally to fill the track for a very slow ride around.
- Jon investigating.

AMSS event

- Mark and Jon attending.
- Mark to bring the awesome BMW and it's even more awesome stand for all to gaze at in wonder.

Next Meeting

- May 14th at Neils.
